48 Album Credits - As we emerge from lockdown

First as always our thanks, gratitude and love go out to **Gina** and **Frances** for giving us the freedom to pursue our dream of making music. **Gina** for your patience with the endless foot tapping and repeated takes during the COVID-19 lockdown in Arborfield and **Frances** for your forbearance with the creative process as Handshive sought inspiration in Spittalfield. Big thanks too to Richard's talented daughter **Kat Ketley-Price** for adding her lovely voice and musical ideas to Breathing Space and to his good friend **Paul Trowbridge** of **Echo Canyon**, who found time between studio visits with his own band to lay down the drumming track on the signature first and last tracks. We love your contributions and look forward to working more with you both in the future.

Last but by no means least, to all family and old friends who were with us at the beginning of our adventure and who joined us on our August Zoom listening party. Thank you **Thomas** for the idea and **Gina, Frances, Mike, China, Kat, JP, Janis, Cargie, Bev, Ralph, Malcolm, Alan, Gavin** and **Paul** for the wonderful support you gave us and to others who kindly sent notes of encouragement: **Jon, Peter, Chris, Penny, Ian, John** and **Helen, Lynton, Michael, Funky Paul** and **Tim**. We were blown away by the reception you gave our songs at the party. We hope you all enjoy listening to the album. Love, peace and riffs to you all,
 Jimmy and Ziggy
